MEDIA

NBC Bay Area: Producer Robert Campos is working on a story about Protection Action Guidelines related to radionuclides in water. Story will look at the possible impact that revisions of these levels would have both nationally and in Bay Area. Producer would like an on-camera interview with EPA to address what the changed levels mean, why they were changed, and what is their significance. I let the producer know that HQ will be handling his request. WTR (v) CLOSED: Michele Huitric

Daily Breeze: Reporter Sandy Mazza had follow up questions regarding yesterday's Halliburton event. Sent responses. ENF. CLOSED. (v). Nahal Mogharabi.

Los Angeles Times: Reporter Tony Barboza said his editors cut his story about the Halliburton event, but will keep the story and information for future stories on the Truck and Bus Rule. Requested an on the record interview to speak about Exide and EPA's involvement. ENF. OPEN. (v). Nahal Mogharabi.
